

Memorial Garden Dedication and Information Sheet

Thank you for your interest in supporting the Tualatin Community Garden while remembering our loved ones who are gone. It is our hope that the memorial garden will become a place for peaceful reflection as we remember the past and a place where we can find inspiration and motivation as we think about the future. Currently there is opportunity to dedicate 10 hybrid tea roses of varying colors and one bench. Each dedicated rose bush will have its own plaque stating whom the rose honors. There is also a bench that can be dedicated which will provide a resting-place in front of the garden. The garden is a work in progress; our second rose bed will be built later this month. If you are interested, please look at the list of roses below along with their suggested donation. Fill out this form and take or mail to the church office along with your donation payable to BFCC. Forms are also available at the church. Visit the garden web site at www.tualatincommunitygarden.com.
